

Equine-Assisted Growth And Learning

LOCATION - CHESHIRE HORSE SANCTUARY THE SIX ACRES, PICTON GORSE LANE, CHESTER, CH2 4HA

The Eagala Model is the global standard for equine-assisted psychotherapy and personal development, which incorporates horses' unique intuition to help clients heal, discover, learn, and grow from the horse-human relationship.

Eagala provides you with the space to take control of your life and change your outcomes. Free yourself as you find the answers you are looking for.

Our philosophy is about: Serving those who are in need. Believing in our clients, professionals and horses. Holding space through an accepting and non judgmental process. Embracing physical and emotional safety.

Under the Eagala Model, both a licensed, credentialed mental health professional and a certified equine specialist work together collaboratively at all times to make sure clients get the therapeutic attention and support they need. It can benefit corporate team strategies, personal empowerment, and growth in all age groups. **Book today and change your life.**
